"Luke and I are sex mad, we just can't get enough of each other and all the fantastic sex we have. Although it's great, we now want even more. This is where we would like to invite a reader over to our place for a threesome. In our marriage we have experience many sexual things and activities, but never once have we done anything involving other people. The thought of being able to caress another person's body as well as my hubby's is really turning me on. We don't mind whether it's a man or a woman, I just know whoever it is, is going to have the best fucking of their life. Being fucked in the pussy and arse at the same time is something I've always wanted to do and I can't wait any longer. Please get in touch if you are feeling horny and lets get this shag fest started."

“My husband has no idea about my secret lesbian life. You see, I’m happily married with two children and I’ve been discreetly acting upon these lesbian urges for as long as I can remember. I’ve recently been having a fling with an 18-year-old girl and she’s convinced me to pose for these photos.”

“My ex never got in to my kinky ways and I suppressed it for many years until I decided that if he couldn't fulfill my need I would find someone that could. I used to tell my husband that I was working late or meeting a friend when I was really meeting kinky guys and dressing up in leathers and spanking the hell out of him. I was happy doing this until my husband caught me and demanded a divorce. Now I'm free and single but it's now lost that edge of being caught. I need to find someone that makes it exciting again.”

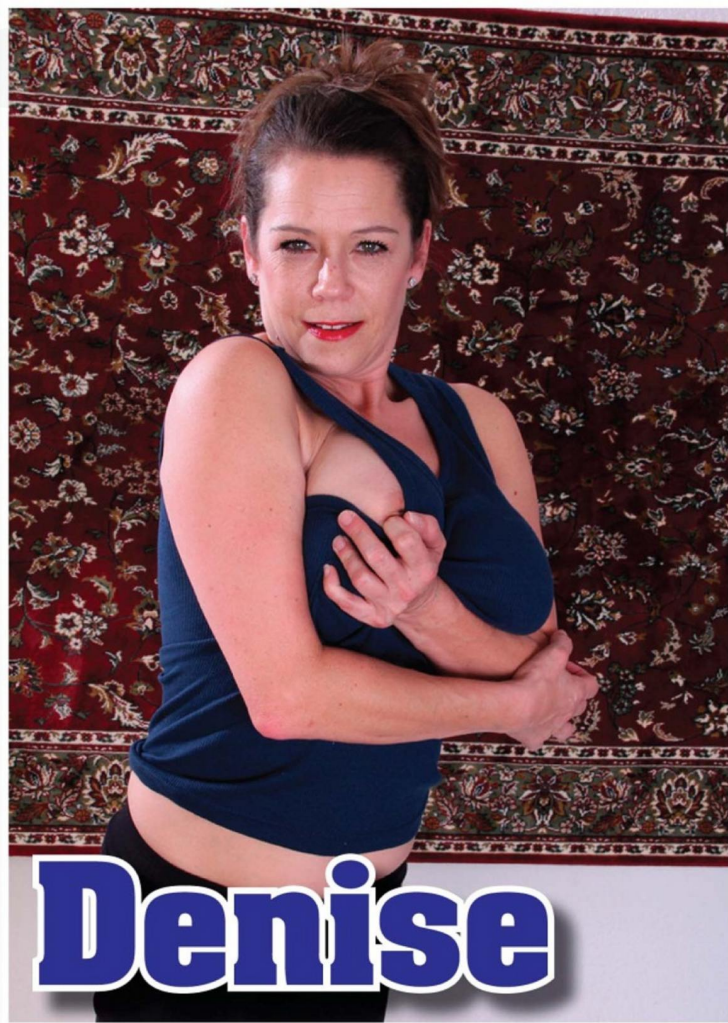

**"E**ver since the first time I let a guy see my boobs I was hooked on getting my kit off in front of people. I remember it like it was yesterday. I took my top off and then unhooked my bra, I was looking square into the guys eyes and at the moment I felt the air touching my nipples my body shuddered with excitement. Up to that point I'd never taken any clothes off in front of anyone and by the end of the evening I was having full-blown hard sex.

"I'm forever getting compliments about my body and there's one part of me that is always given special attention, my breasts. Sometimes when I go out men stop me in the street and tell me how great I look and more often than not they'll ask me for my phone number too. I never let on that I'm married and I always give them my number because I find it such a turn on to be fancied by a complete stranger. When they eventually call me I'll be really flirty on the phone and sometimes I'll even get them to have phone sex with me! You might think that my husband would be pissed off with me but I always call him in to the room when I'm on the phone to strangers so that he can join in. As I talk on the phone he'll take my knickers off and either give me fantastic oral sex or he'll give me a good fingering, sometimes we even have sex while I'm on the phone talking dirty to the guys. I guess I'm very lucky to have such an understanding husband, but on the other hand he's a pretty lucky guy to have such a dirty filth bag as his wife!"

# READERS' PHOTOS!

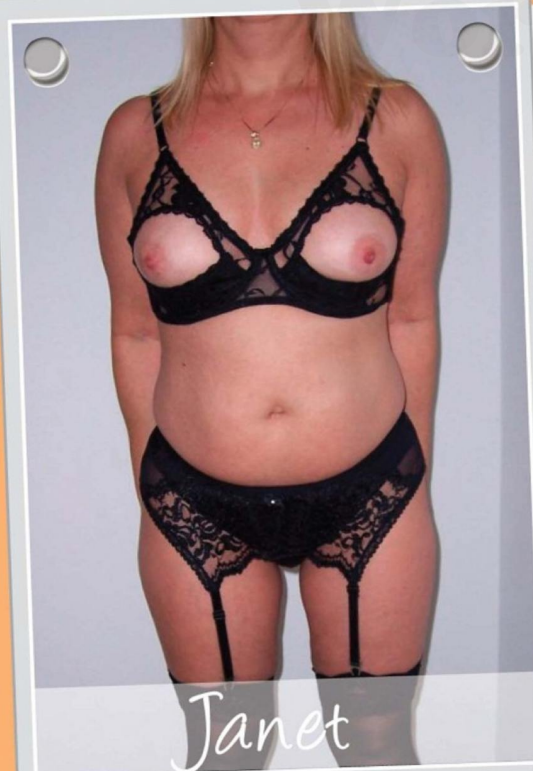

Linda

"We were just chilling at home when I suggested that Alex took a load photos of me around the house posing and being silly. It started off innocently and to Alex's surprise I started to take my top off, then the rest of my clothes followed and within minutes I was butt naked!"

Janet

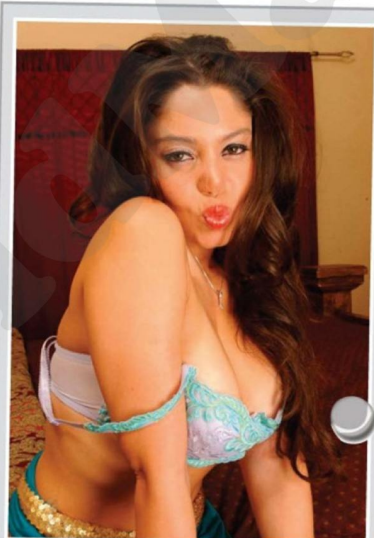

I'm 56-years-old and only last year my husband divorced me and went to live with another woman! I was shattered at the time, it was so unexpected. I moped around for a while but then I realised how much sympathy I was getting especially from all the single men from my office, they all seemed to like older more mature women

Anita

When I broke up with my long-term boyfriend I thought it was the end of the world, that was until I discovered the joys of one-night stands. I've got my best friend Joanne to thank for all of the dirty sex I'm having because she took me out for a girly night out to cheer me up, which ended with me having my brains fucked out!

**When we had a little chat with Molly from Watford she told us that her divorce was the best thing that has ever happened to her.**

**“I** had been married for a long time when my husband decided that he wanted a younger model and dumped me for our neighbour's 21 year old daughter. At first I was devastated and thought that life would never be the same.

I was right about life not being the same but I couldn't have been more wrong about how it would make me feel. My best mate took me to a singles bar to drown my sorrows and I ended up meeting a young guy and having amazing sex all night. I thought my husband was a great lover, but quite clearly he was crap and I believed him when he said it was rare for a woman to actually have an orgasm! From that moment I decided that I was going to spend the rest of my life pleasing myself and getting the most out of sex.”

Whilst my husband is serving in the British Army overseas I find stripping off and putting my photos in a magazine the best way to keep up some sort of sex life with him! He enjoys looking at my saucy photos and in return he takes Polaroid snaps of his cock while he's wanking over me. I'm hoping that these photos are not just going to bring my husband to attention, but his platoon of mates too. Mike doesn't seem to mind them seeing my naked pics and he's

always getting a pat on the back from people whenever he shows them my pictures. When Mike returns home I'll treat him to a personal lap dance and strip tease, wearing a red cap's uniform. I'll also confine him to bedroom quarters, for disciplinary physical exercise. If he thinks going on long marches are tiring wait till I've finished with him, he's going to get the best sex of his life the moment he walks through the front door!

# Eve Parks

"I used to be really shy about my body, even being naked in front of my husband was nerve wracking, but things have definitely changed for the better! My husband suggested that he took some sexy snaps of me and after posing for him I've really come out of my shell. It's added a whole new dimension to our sex lives and now my husband and I fuck a hell of a lot more. I'm even wearing more revealing sexy clothes out in public, which I know he is happy about. I've now realised that life is too short to be shy about trying new things so our next venture is to find a couple who are up for a foursome, we could film it too if they didn't mind. Life is so much better and I'm just itching to try everything!"

**M**y husband recently had an affair with a younger woman and even though I haven't kicked him out I'm finding it very difficult to be around him. The problem is that I can't stand the sight of him for what he has done to me but shamefully I still love him, which is why we are still together. He did a disgraceful thing that made me very angry and upset and I thought a great way to get back at him would be for me to have some pictures of me taken in the nude so that other men can get a good look at my body. There was nothing he could say when I told him what I'd done as it's no way as bad as cheating, and to be quite honest I think he got slightly horny and excited at the thought. I really enjoyed the whole experience of stripping and revealing my naked flesh to the photographer. I hope you all find me attractive and have some pleasurable wanks over the photos of me having sex with a dildo. I would be really grateful to hear what you all think of my photos, if I get some positive feedback it will give me a huge confidence boost to think that there are men out there who do fancy me. I'm not one for cheating, unlike my husband, but the thought of men out there fancying me and wanting to fuck me gets me quite excited. Who knows if I'm still finding it hard to forgive my husband in a few months time I might just run off with the first man who shows a bit of interest in me!

“My name is Maureen Carter, I'm from London and I love to pose naked in front of the camera. 'I've always had an obsession when it comes to being naked, I don't know what it is but I get some sort of thrill from it. I'm not even in the least bit shy and I decided this time to take it further and let anyone who wants to see my pictures get the same joy as I do from them.

I'd be straight down to the local pub to gather up three or four strapping lads and escort them back to our house and straight up the stairs into the bedroom. I'd let them take it in turns filling me with cum in any hole they fancied, and when they had finished I'll make them do it all over again! That sound pretty hot, but not as hot as it would be if Gerry was there watching it all unfold, I'm getting all wet just thinking about it!

"I've been modelling for many years now and I still get a real buzz every time I drop my knickers to the floor for the whole world to see my pussy in all it's glory. I guess my passion started after I left my ex husband and was fed up with living a boring and depressing life all on my own. I saw an advert in a local newspaper from a photographer asking for nude models and I decided to just go for it, after all I was doing nothing exciting that day. I was so nervous but the photographer was so nice to me and by the time I'd stripped bare I was really enjoying myself, so much so that the photographer

and I ended up having sex with each other on the bed I was posing on! He told me that he was used to taking photos of younger women and that I was his first mature model and that he'd never been so turned on before in the presence of a naked woman as he was with me! I've been hooked ever since and my sex drive has gone through the roof. I've got two regular fuck buddies who can't get enough of pounding my pussy raw and I even get recognised when I'm out and about by guys who have seen me in magazines and on the Net. You'd be amazed how many of them chat me up and end up in bed with me, and I never disappoint my adoring fans when my knickers have been removed and my legs are spread wide for a bit of cock."

“Hi guys, I hope you’re sitting there enjoying my photos and hopefully having a wank too! It’s a real passion of mine posing in front of the camera and I do it all behind my husband’s back, although it probably wouldn’t bother him anyway because he never pays me any attention and he thinks I’m too fat! Every Friday when he goes off to work and the kids have left for school my best friend Angela comes over and takes photos of me. We don’t do any lesbian stuff; we just crack open a bottle of wine or two and have a little bit of fun with the camera. I’ve taken quite a few photos of Angela too but she doesn’t want anyone to see them.

I'm convinced that my husband is more interested in football than he is in me so I arranged to do this rather saucy photo shoot to try and give him a bit of a wake-up call!  
He's a die-hard Aston Villa fan and he's had a season ticket for Villa Park for over 10 years! He spends all weekend and some week nights going to the matches and getting so pissed up that by the time he gets home his dick doesn't work, not that he's that interested in using it anyway! While he's passed out on the sofa downstairs with the football highlights booming from the TV I have to make do with masturbating in the bedroom in order to get some kind of sexual relief. I could sit next to him on the sofa fingering myself or ramming a dildo in to my nice tight pussy

and even if rubbed my cum soaked fingers over his face he'd probably still not take a blind bit of notice. I'm fed up with it and I'm hoping that these will be enough to make him realise what a hot wife he's got and that any man in his shoes would be insane not to take a beautiful woman like me to bed every night. It's not through a lack of trying on my side as I'm always doing things to spice up our marriage. If this doesn't knock some sense in to him I've made up my mind that I'm leaving him in search of someone who does want to fuck me and treat me like the dirty woman that I desperately want to become. The more I think about it the more I think I should just leave the lazy bastard and date someone who does get a hard-on at the thought of getting between my sheets!

Granny sex in all its glory and filth is in extremely high demand by young and older guys - my name is Beth and I'd love to explain why I enjoy being on a adult chat sex line every day having orgasm after orgasm and making ordinary guys wank off over their phone - I even have a 100% cum rate on all my callers so try as you may you will be unloading and letting go of all that frustration and sense of total relief that you will find you just cannot do without. Myself I am 45 and divorced but my sex drive seems to be higher than when I was 20 and the need to be fucked is so great without these adult chat lines I could not survive with my absolute desperation for cock, I know I am an easy woman so let me give you the most extreme in phone sex chat.
